

ITT 200W 235V-0170 R7S 10x186

Article number: 60800540731

RAD Ralotherm 0170 R7s 235V 200W Clear 2350K Halogen 10x186mm Infrared lamp

Product benefits: Fast heating action with highest efficiency. High operating safety and reliability. Precise controllability. Long lamp life. Instant full output. Product features: Short-wave infrared halogen lamps (IR-A) for technical applications. Maximum radiation at a wavelength of about 1.100nm. Areas of application: Processing of plastic and thermoforming Paper and printing industries. Drying paint and varnishes. Semi-conductor industry. Coil coating. Keeping food warm in restaurants (catering). Infrared cabins.

General ETIM properties

ETIM group	Lamps
ETIM class	IR lamp
Name	ITT 200W 235V-0170 R7S 10x186
Brand	Radium
Productseries	Ralotherm
Producttype	ITT R7S

ETIM specifications

Socket	Other
Lamp power [W]	200
Total length [mm]	186
Diameter lamp [mm]	10
Lamp voltage [V]	235 - 235
Lamp shape	Other
Lamp type	Other
Dimmable	No
Average nominal lifetime [h]	5000
Weighted energy consumption in 1000 hours [kWh]	200
