Wireless Control Option	Bluetooth LE
Protection (IP)	IP 44
Heat Output, electrical products (W)	64
Unpackaged Product Width (mm)	655
Unpackaged Product Height (mm)	760
Unpackaged Product Depth (mm)	112
Material	Steel
Environmental Certificate	WEEE, REACH
Etim Code	EC003624

Måttskiss

Flex U in matt black finish has 3 arms that are 650 mm long. The towel warmer has excellent drying capabilities. The individually pivoting U-shaped arms allow towels to hang freely in the air when needed. Construction is very sturdy, with metal consoles.

Flex U is made of chromed steel and the effect is 64W. The towel warmer can be mounted right or left-hand. The towel warmer comes complete with Momento II™ bracket for

concealed electrical installation placed at the bottom.

The built-in Momento II™ timer can be controlled via the app or manually. Via the app it is also possible to set different power levels, set schedules when the towel dryer will heat and pair with Pax Norte bathroom fan. Then the towel warmer switches on automatically when the fan's humidity sensor detects an increased humidity level, for example when you start showering.
