

SAFETY BOX

Article number: 142016

Safety Box for protection of plug connections on power lines against moisture and wetness, as well as against unintentional disconnection of the plug connection. Ideally suited for use when working with electrical equipment outdoors (garden, camping, construction site, boat, etc.), for festive and Christmas lighting, recommended also as protection for small children. Easy handling: open the housing parts of the SAFETY BOX, connect the cable plug and socket and insert them in the middle, fix the plug connection, then switch on the power. For cables up to 9 mm Ø, IP 44 splash-proof, weight 110 g, color red.

Length (mm)	205 mm
Width (mm)	70 mm
Height (mm)	70 mm
Weight (kg)	0,11 kg

Attribute	Value
Suitable for	sonstige
Reusable	Yes
Type of accessory/spare part	sonstige
Spare part	Yes
Accessories	Yes
