

## Product Card

Socket outlet, Impressivo IP44, 2-gang Schuko, shuttered, screwless terminals, branching terminals, anthracite

# Socket outlet

Socket outlet, Impressivo IP44, 2-gang Schuko, shuttered, screwless terminals, branching terminals, anthracite

**Type:** 302ESW-81

**GTIN:** 6438199003443

There are terminals for each contact of the socket outlet for max 4 rigid wires. No X-terminals.

## Technical specification

### General Information

|             |              |
|-------------|--------------|
| Product ID: | 2TKA00001754 |
|-------------|--------------|

### Classification

|                  |      |
|------------------|------|
| Enclosure class: | IP44 |
|------------------|------|

### Packing

|          |               |
|----------|---------------|
| Package: | 1/10/100/1200 |
| Unit:    | PCS           |

### ETIM Data

|                                |    |
|--------------------------------|----|
| Number of active pins (round): | 2  |
| With signal lamp:              | No |
| Number of units:               | 2  |
| Number of phases:              | 1  |

## Product Card

Socket outlet, Impressivo IP44, 2-gang Schuko, shuttered, screwless terminals, branching terminals, anthracite

|   |                           |
|---|---------------------------|
| Imprint/indication:                     | None                      |
| Connection type:                        | Push-in clamp             |
| With hinged lid:                        | No                        |
| With enhanced contact protection:       | Yes                       |
| Label space/information surface:        | No                        |
| Colour:                                 | Anthracite                |
| RAL-number (similar):                   | 7021                      |
| Metallic colour:                        | No                        |
| Transparent:                            | No                        |
| Lockable:                               | No                        |
| Eject-mechanism:                        | No                        |
| Insulated mounting:                     | No                        |
| With function lighting:                 | No                        |
| With orientation lighting:              | No                        |
| Over voltage protection:                | No                        |
| Fault current protection:               | No                        |
| With miniature fuse:                    | No                        |
| Special power supply:                   | No special power supply   |
| Mounting method:                        | Surface mounted (plaster) |
| Type of fastening:                      | Mounting with screw       |
| Material:                               | Plastic                   |
| Material quality:                       | Thermoplastic             |
| Halogen free:                           | Yes                       |
| Surface protection:                     | Untreated                 |
| Surface finishing:                      | Glossy                    |
| Anti-bacterial treatment:               | No                        |
| With loop through function:             | No                        |
| With on/off switch:                     | No                        |
| Rotated central insert:                 | No                        |
| Nominal current:                        | 16 A                      |
| Nominal voltage:                        | 250 V                     |
| Frequency:                              | 50 Hz                     |
| Suitable for degree of protection (IP): | IP44                      |
| Device width:                           | 85 mm                     |
