These LED energy-efficient atmosphere creators from Bailey are made of plastic that is colored in the mass. This makes them a lot safer than their traditional predecessors and gives nice, even light. Ideal for holidays, festivals, terraces, beer garden, amusement parks or for other festive decorations. Every party deserves a Bailey Party Bulb! When mounted hanging in combination with a suitable lamp holder (holder makes a watertight seal with the bulb) also outdoors applicable. We advise to use this lamp in combination with the Bailey Light String of 10m.
